ESCALA

A scale bar diagram titled "ESCALA". The horizontal axis represents distance in meters. It features five major tick marks labeled 0, 70,000, 140,000, 280,000, and 420,000. The segments between the first four labels are each 70,000 meters long. The segment between 280,000 and 420,000 is 140,000 meters long. The segment from 420,000 to the end of the bar is unlabeled. The word "Metros" is written at the end of the bar. Below the bar, the scale 1:2,500,000 is indicated.

0 70,000 140,000 280,000 420,000

Metros
